*In conjunction with the North Carolina
Society of Eye Physicians and Surgeons*

Certification and Education for Eye Care Excellence

Friday, September 6, 2019

Omni Grove Park Inn & Spa | Grand Ballroom C | Technician Program

4 IJCAHPO Group A Credits
Program Chair: Faith Race, COT

- 11:45 a.m.-12:15 p.m. **REGISTRATION AND CLASSROOM: GRAND BALLROOM C**
(Eighth floor, Vanderbilt Wing of the Omni Grove Park Inn Resort)
- 12:15-12:35 p.m. **GUEST SPEAKER: JARED LATHAM, DIRECTOR, ALLERGAN**
- 12:35-1:25 p.m. **DEFEND YOUR CASTLE: HOW TO PROTECT YOUR PRACTICE'S DATA WITH SECURITY LAYERS**
Chris Dean, CMHP, NCP
What is your organization's attitude toward security? When you are trying to defend against threats that can come from any direction, and take any form, then you need to know about anything unusual and irregular happening on your systems that may render the system more prone to attack. Being vigilant at all times, not just when an audit is due, is a habit that needs to be adopted immediately. Your organization is under constant threat, both from external and internal attacks, and you need multiple layers of security to reduce the risk of a breach.
- 1:25-2:15 p.m. **HEALTHCARE CYBER SECURITY AND UPDATES ON EHR ISSUES**
Michelle Pineda, MBA
Healthcare cyber security issues can completely shut down a medical practice. Ransomware attacks and rogue employees are a few of the challenges facing most medical practices. Electronic medical records add another layer of complexity and can result in medical malpractice claims and HIPAA issues. Using actual claims and lawsuits, OMIC will present lessons learned and risk management recommendations to reduce the risk.
- 2:15-2:30 p.m. **BREAK**
- 2:30-3:30 p.m. **OCT TROUBLESHOOTING LECTURE**
Sarah Armstrong, CRA, OCT-C
Optical Coherence Tomography (OCT) is crucial to the accurate diagnosis and treatment of patients. Identifying and understanding how to prevent artifacts that occur when performing OCT is critical to acquiring and interpreting results accurately. Through a variety of examples, this course will identify common OCT artifacts problems and discuss how to troubleshoot them.
- 3:30-4:30 p.m. **A-SCAN BIOMETRY**
Janae Hines, COA, ROUB, CDOS
Attendees will learn the principles of A-scan biometry and will understand the visual difference between an accurate scan versus an inaccurate scan, along with the importance of accurate measurements. Both immersion and contact biometry will be discussed.
- 4:30 p.m. **ADJOURN**
- 5:15-6:45 p.m. **WELCOME RECEPTION IN THE GRAND BALLROOM B**
Free to meeting attendees only

IJCAHPO welcomes guest speaker,
Jared Latham, Director, Allergan.

7:00-8:00 a.m.	CONTINENTAL BREAKFAST: GRAND BALLROOM B REGISTRATION AND CLASSROOM: GRAND BALLROOM C (Eighth floor, Vanderbilt Wing of the Omni Grove Park Inn Resort)
8:00-9:00 a.m.	THE IMPORTANCE OF THE TECHNICIAN'S ROLE IN THE OPHTHALMIC EXAM <i>Michael Stewart, MD</i> This course covers the finer points and pitfalls of the history and ocular examination (pupils, confrontation fields, vision testing, motility, etc.). Most diagnoses are made from information obtained in the history, with information obtained from the examination and ancillary testing providing critical information in only a minority of cases. This presentation is structured around cases that illustrate valuable points that are obtained from the history and examination. Technicians will find these pearls valuable when working up patients with new complaints and problems.
9:00-10:00 a.m.	BASICS OF SURGICAL ASSISTING <i>Natalie Loyacano, COMT, OSA, CRA</i> This course will discuss surgical assisting with ophthalmic surgical procedures. Preparation for surgical set up by following sterile technique guidelines, specific surgical instruments, care and maintenance of these instruments, and set up of surgical equipment, such as phaco machine and vitrectomy machine will be reviewed.
10:00-10:15 a.m.	BREAK
10:15-11:05 a.m.	ALBINISM: IT'S NOT JUST THE HAIR COLOR! <i>Karen Summerville Hubbard, COMT</i> This discussion of albinism will include it's documented history, the background of the general types, the key characteristics, helpful low-vision devices, and the potential needs for educating children with albinism.
11:05 a.m.-12:05 p.m.	DESCRIPTIVE OPHTHALMIC ULTRASOUND <i>Craig Simms, BSc, COMT, ROUB, CDOS</i> This course will cover normal anatomy and ocular pathology as imaged with different ultrasound modalities. Images will be discussed with examples of how to describe findings from ultrasound biomicroscopy, B-scan, and standardized A-scan.
12:05-1:00 p.m.	LUNCH: PAVILION—SPONSORED BY ALLERGAN
1:00-1:50 p.m.	PROBLEM WITH GLASSES: HOW TO GIVE YOUR PATIENTS PEACE OF MIND WITHOUT LOSING YOURS <i>Barbara Harris, PA, MBA, COT, OSC</i> This course outlines a systematic approach to the patient who returns unhappy with their new prescription. Common causes of patient maladjustment to new spectacles will be discussed as well as tips for assuring a positive outcome for the encounter. Case studies will be used for illustration.
1:50-2:40 p.m.	TO TREAT OR NOT TO TREAT: EVALUATING THE GLAUCOMA SUSPECTS <i>Eydie Miller-Ellis, MD</i> This case-based course will review the assessment of patients with clinical findings suspicious for glaucoma. Diagnostic tests and glaucoma risk factors will be discussed.
2:40-2:55 p.m.	BREAK
2:55-3:45 p.m.	ASSISTIVE TECHNOLOGY: HACKS FOR THE VISUALLY IMPAIRED <i>Sonya Dakin, COT</i> This course will offer attendees a better understanding and knowledge of resources available to not only the visually impaired, but the physically impaired as well.
3:45-4:35 p.m.	CODE "V": PRINCIPLES OF SAFE ANTERIOR VITRECTOMY <i>Lisa Arbisser, MD</i> This course will discuss important concepts in readiness to help the surgeon during complications of cataract surgery. Participants will have a better understanding of the signs of vitreous loss, the tools needed and the timing for safe and efficient anterior vitrectomy both by anterior incisions and via one port pars plana vitrectomy for the anterior segment surgeon. Readiness and an understanding of machine settings will also be discussed.
4:35 p.m.	ADJOURN

Registration is Open

October 11-13, 2019
47th Annual Continuing
Education Program

For information go to
www.jcahpo.org/ACE

General Information

For additional information regarding registration, contact IJCAHPO at 800-284-3937, e-mail registrations@jcahpo.org, or visit www.jcahpo.org.

HANDOUTS

A link to course handouts will be e-mailed to registrants one week prior to the meeting date, as they are not provided on-site. Handouts are available for two weeks.

NOTE: WiFi access not provided by IJCAHPO.

CANCELLATIONS/REFUNDS

All cancellations and requests for refunds must be received by IJCAHPO in writing. A processing fee of \$75 is deducted from each cancelled registration to cover a portion of the costs IJCAHPO incurs.

CONTINUING EDUCATION CREDITS

IJCAHPO and CA BRN continuing education credits have been approved for this meeting. Continuing education credits earned will be posted on your account at www.jcahpo.org approximately 4-6 weeks after the program for participants who complete evaluation forms.

NOTE: Attendance is monitored for each hour of instruction.

Participants absent for more than 15 minutes of any given hour will not receive credit for that hour.

DIRECTIONS

For directions go to: <https://www.omnihotels.com/hotels/asheville-grove-park/property-details/directions>

LOCATION

Omni Grove Park Inn & Spa
290 Macon Ave
Asheville, NC 28804

RESERVATIONS

Accommodations: Reserve Your Room by August 5

For reservations, please go to <https://www.omnihotels.com/hotels/asheville-grove-park/meetings/nc-society-of-eye-physicians-and-surgeons>, or call 800-438-5800; be sure to reference the NCSEPS.

A deposit for the first night's rate plus taxes is required; the group rate is \$289 per night, plus \$25 resort charge and taxes, single or double occupancy. The resort charge includes in-room high speed Internet access, access to the fitness center, and guided history tour of the resort. Surcharges apply for guaranteed upgrades to Mountain View rooms. Please be aware that there is a 7-day cancellation policy, and if you check out prior to your reserved checkout date, the resort will charge an early departure fee of one night's room and tax. Our block of rooms will be released August 5, and the resort is likely to sell out, so you are urged to make your reservation promptly.

PARKING

Current overnight parking charges are \$15 for self-parking or \$22 for valet parking.

FUTURE EVENTS

Registration information for IJCAHPO's Annual Continuing Education (ACE) Meeting can be found at www.jcahpo.org/ACE

Registration Form

Registration form may be duplicated. Please use one form per registrant.

North Carolina Continuing Education Program
September 6-7, 2019

Registration and Cancellation Deadline: August 30, 2019

Special accommodations: IJCAHPO provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for special accommodations. Specific special accommodations should be related to functional limitations. Please include additional supporting documentation from the medical professional who diagnosed the condition. It is essential that the documentation of the disability provide a clear explanation of the current functional limitation(s) and a rationale for the requested accommodation.
